

The Resona Foundation for Asia and Oceania

2023 Grant for Asia-Oceania Research Application Requirements

1. Purpose of Funding

The foundation was established with the aim of promoting mutual understanding between Japan and countries and regions in Asia and Oceania. This grant is the main projects that have continued for more than 30 years since the foundation was established. We will support for surveys and research projects in the social sciences and humanities (social, culture, history, politics, economics, etc.) on the Asia-Oceania region, and we are focusing its efforts on funding young researchers that are finding it difficult to obtain assistance from public agencies such as government bodies and regular corporations.

2. Applicable Subjects for Funding

1. Research Project Grants

* Research projects in the social sciences and humanities (social, culture, history, politics, economics, etc.) on Asia and Oceania countries and regions. Focus on individual research projects, but also joint research projects.

* Applicants for Research Projects Grants must in principle be as of April 1, 2023, under 39 years age.

2. International Academic Exchange Grants

* Grants for holding international conferences, symposia, and other meetings in the social sciences and humanities (social, culture, history, politics, economics, etc.) on Asia and Oceania countries and regions.

* Grants for exchanges between researchers (support for staff invitations and secondments, etc.)

3. Publication Grants

* Grants for publications on research in the social sciences and humanities (social, culture, history, politics, economics, etc.) on Asia and Oceania countries and regions.

* Educational and Public Relations Activities Grants

3. Projects Ineligible for Funding

- For-profit research projects
- Activities with the sole aim of holding research meetings, taking trips overseas, or the purchase of devices or equipment
- Assistance with lecture fees or cost of living allowances themselves

4. Obligations of Grant Recipients

Grant recipients must sign a Memorandum of Understanding with the Foundation, and on the basis of this Memorandum are requested to submit an interim report and a financial report every year during the funding period, as well as a notification of conclusion of activities, a report of activities, and a financial report after the conclusion of activities.
